**Re: Rajeev Munjal v. Emirates**  
**Case No.: 21-CV-08401 (PAE) (DCF)**

Dear Judge Engelmayer:

We represent the plaintiff, Rajeev Munjal, in the above-referenced proceeding. I write with the consent of defendant's counsel to request a one-week extension of time to respond to the motion to dismiss filed by defendant in this action.

Pursuant to the Court's order dated October 20, 2021, plaintiff has 14 days to file opposition to either the original motion or an amended motion to dismiss filed by defendant. Defendant's counsel wrote to the Court yesterday indicating that it was relying on its original motion to dismiss. Plaintiff's opposition to the motion would therefore be due on December 13, 2021.

During the same period of time I have a number of other litigation deadlines, including two appellate briefs and a post-hearing arbitration brief. I therefore respectfully request that plaintiff be granted one additional week until December 20, 2021 to file his opposition to the motion. I have contacted defendant's counsel who has indicated that he consents to this request.

I thank the Court for its consideration of this request.

Respectfully submitted,

  
David N. Mair
